

## Day 3 Cooperation with international organisations #2

### Agenda Item Overview

On Thursday, 10 November, the morning session is dedicated to cooperation with international organisations. Key note speakers whose work relates to the ongoing WGEA projects will contribute to the discussion of the role of SAIs.

#### **OECD - Environmental performance assessment**

The presenter from OECD will introduce the activities of OECD regarding environmental data by the means of teleconference. The presenter will also contribute to the discussion about the role of SAIs.

#### **United Nations Environment Programme - Effectiveness of MEAs – latest developments**

Dr Arnold Kreilhuber from UNEP will share the latest developments regarding the objective to increase the accountability of MEAs. Furthermore, he will enlighten the audience about accomplishments on the way towards Rio+20 and expectations towards the SAIs.
