

# Khalid Hamid

Executive Director  
Department of Professional Services  
State Audit Institution, United Arab Emirates.

Mr. Khalid Hamid has extensive professional experience as an auditor. His career started in the National Audit office, in the UK, where he worked for a decade from 1989. He also worked for the Auditor-General, South Africa in a technical capacity for seven years. For the past eight years Khalid has been engaged at the senior management level of the State Audit Institution of the United Arab Emirates. As the next Chair of the INTOSAI Governing Board one of his most demanding jobs will be to encourage and set guidelines on how the Supreme Audit Institutions (SAIs) around the globe respond to the Post 2030 Development Agenda. This will be in response to the requirements set out in the INTOSAI Strategic Plan 2017-2022
